

Duchess stacking chair

Our deluxe banqueting chair. The duchess is a stylish and graceful banqueting chair for lavish functions. The lightweight aluminium frame ensures easy mobility whilst maintaining contract quality strength.

- Contract quality construction and design
- Lightweight aluminium frame
- Support brace on legs and seat for extra strength
- Durable gold and clear powder coated finish
- Plastic feet and guards to stop stacking and floor scratching.
- Stacks 10 high
- 2.5" high density foam seat & durable fabric, fire rated BS5852
- No visible fixings on back of seat, & hand hole for easy lifting
- No assembly required

All our products are contract quality and are designed for comfort, style and years of commercial use.
