

Emperor stacking chair

Our best seller year after year. The emperor is a high quality event chair with a traditional appearance, suitable for any venue where strength and comfort is important. Large seat pads and the extra frame supports ensure this is the first choice for clients looking for a quality long term investment.

- Contract quality construction and design
- 18 gauge steel frame
- Support brace on legs for extra strength
- Double support brace under seat for added strength
- Durable gold and clear powder coated finish
- Plastic feet and guards to stop stacking and floor scratching.
- Stacks 10 high
- 2.5" high density foam seat & durable fabric, fire rated BS5852
- No visible fixings on back of seat, & hand hole for easy lifting
- No assembly required
